### Plan to meet GMS / PMS 2014-15 Contractual Requirement for Patient online Service

This practice currently offers patients' facilities to book, view, amend, cancel and print appointments online.

This practice currently offers the facility for all patients to order online, view and print a list of their repeat prescriptions or medicines and appliances.

This practice plans to offer patients facilities to view on line, export or print any summary information from their record, relating to medications, allergies, adverse reactions and any other items agreed between the practice and individual patient, from March 2015, subject to the availability of NHS GP systems and software.

We will publicise and promote our online services to our practice patients through the practice website, practice waiting room leaflets, posters and the Patient Participation Group by 31 March 2015.

### Further details of our plan:

	Planned activity	Date
1	Write up practice policies and hold awareness sessions with staff and PPG	January 2015
2	Prepare promotion and information activities for the patients Review any nationally provided supportive material from RCGP/NHS England Train relevant staff	February 2015
3	Commence summary information access to records for patients in practice who request this	March 2015
4	Publicise online services to patients via the Practice website, noticeboard and PPG	March 2015
